

MARYSVILLE SELECTED

As Place of Holding Next
Presbytery.

FINAL SESSION HELD

By Foreign Missionary Soci-
eties Wednesday.

Mrs. S. E. Barlow is Elected Presi-
dent and Mrs. W. L. Warner,
Secretary of Literature.

The final session of the twenty-
third annual meeting of the For-
eign Missionary societies of the
Marion Presbytery was held Wed-
nesday afternoon and proved one
of the most important of the con-
ference. The committee appointed
to decide upon the place of meeting
next year, reported late in the
afternoon, disclosing that the joint
meeting of the Marion Presbytery
and Home and Foreign Missions
will be held at Marysville.

The committee which was also
authorized to decide as to whether
or not the missionary societies
should meet at the same time and
place as the Presbytery, announced
that it had deemed it wise to
allow the custom to prevail as in
past years.

The program opened at 1:30
o'clock, with scripture lesson and
prayer by Mrs. M. E. Stamata of
Richwood. The nominating com-
mittee submitted its report which was
unanimously adopted, naming the
following officers of the society for
the coming year: Mrs. S. E. Bar-

low of city, president; Mrs. Alvin
Thompson of Marysville, secretary;
Mrs. M. N. Coe, of Mt. Gilead,
corresponding secretary; Mrs. A.
B. Robinson of Marysville, treasur-
er; Miss Adah Charin, of Iberia,
secretary of young people; Mrs.
W. L. Warner, of this city, sec-
retary of literature; Mrs. W. G.
Marsh, of Marysville, first vice
president; Mrs. A. C. Christ of
Delaware, second vice president;
Mrs. Galbreath, of Ostrander, third
vice president.

The resolution committee sub-
mitted an interesting report which
was accepted. The sum and sub-
stance of the resolution was the
extension of hearty thanks of the
delegates to the Marion ladies for
the hospitality shown the visitors
during the sessions.

Miss Ada Charin of Iberia, gave
an interesting paper on the glean-
ings from conferences of the Young
People's Alliance. She reviewed
the work accomplished and named
it as one of the main pillars of
the church.

Miss Sadame Allen of this city
rendered a vocal solo after which
the address of the afternoon, "Mo-
hammadan Women" was given by
Dr. Emily Marston of Lahore, In-
dia. The missionary described in a
highly interesting manner the
customs and habits of the Moham-
medan woman and explained the
manner in which the missionary
works to gain their conversion.

In the closing half hour of the
session, Mrs. R. C. Bowditch of
this city gave a talk on "Thank-
sgiving." Immediately upon ad-
journment a missionary tea was
served in the basement of the
church and was followed by a final
social session.

A PROMOTER IN TOWN—He is
selling stock in the greatest enter-
prise in the world. Many Marion
stockholders who were so fortunate
as to obtain shares several years
ago, say that they are receiving divi-
dends amounting to from 100 per cent
to 500 per cent annually, and are ad-
vising their friends to buy quickly.

Like all other enterprises the suc-
cess in obtaining big dividends de-
pends upon those who handle the
business. The stockholders of this
concern do not depend upon others
for the best results, but have the
entire control of their own share,
and can make a success in propor-
tion to the personal interest they
take. The shares may vary some in
price, the average being about \$75
and can be paid for in cash or in
easy monthly payments. There is no
person in any walk of life that can
not make the best investment of
his life in buying one of these
shares, as he will always receive
big dividends as long as he lives, if
he has the ambition to take advantage
of this opportunity and get busy.

RESCUE HOME FOR WOMEN

At Meeting of Trustees of the
Wesley Mission.

PLANS ARE FORMULATED

To be Established in West
Marion.

New Home will be Located on
David Street and will be in
Charge of Rev. E. Hoek.

Marion is to have a rescue home
for erring women and girls. A
movement for establishing such an
institution was launched at a
meeting of the board of trustees
of the Wesley Mission, held in the
mission room on Kenton avenue,
Wednesday evening, when a board
of trustees was elected. The trust-
ees will start work at once prepar-
ing to open the home and after
that will have full charge of its
management.

The home will be known as
"The Door of Hope" and will be
located on David street. Although
it is to be started by the officers
of the Wesley mission it is to be
interdenominational and all of the
citizens will be invited to contrib-
ute to its support. The people of
the West End say that an institu-
tion of this kind can accomplish a
great good.

The superintendent of the home
will be Rev. Elmer Hoek of
Wood county, an evangelist who
has had experience in this kind
of work. He is well acquainted
in Marion, having conducted a
series of revival services here this
winter. His wife will be matron
of the house.

The trustees have entered into
negotiations with George Emerson
for the purchase of a house and
lot on David street. It is likely
that the purchase will be made at
\$1,500. The plan is to place an-
other building on the lot besides
the one already there. One of the
buildings would be used exclusively
for the rescue home and the other
as a place for holding religious
services.

The trustees are Rev. Mr. Hoek,
Samuel Adams, Mrs. John Manley,
Mrs. L. A. Dilworth and Mrs.
O. J. Elliott. The officers chosen
besides the superintendent are
Samuel Adams, treasurer and Mrs.
O. J. Elliott, secretary.

Broad Hint.
The following advertisement re-
cently appeared: "Being aware that
it is indelicate to advertise for a
band, I refrain from doing so; but if
any gentleman should be inclined to
advertise for a wife I will answer the
advertisement without delay. I am
young, am domesticated, and consid-
ered ladylike. Apply," etc.

Scathing Criticism.
"I am of the opinion," observed the
editor of the Buntown Baxoo, hav-
ing reference to the mentality of his
rival, the editor of the Buntown Ban-
ner, "that if the brains of that man-
ikin were of dynamite they would be
quite insufficient to blow his hat over
his eyes."

MORAN BROS. ARE ARRESTED

HATCH FLOURISHED GUN

And Cleans Out the Place
Before Subdued.

Mayor Says too Many Drunken
People Carry Revolvers and
Practice Must Stop at Once.

Charged with destruction of
property and disorderly conduct
Albert and Patrick Moran, two
brothers, were arrested yesterday
afternoon on an affidavit sworn to
by Joseph Bateman, owner of the
building in which the saloon oper-
ated by "Cad" Maloney is locat-
ed.

Maloney went out of business
last Saturday night, finding that
the lid is on a little tight in this
city. When he closed the place he
told his bartender, Albert Moran,
to keep out of the building until
he returned from a trip to Findlay.
A short time later the Morans and
several companions got into the
saloon and finding plenty of
booze in the ice chests proceeded
to get on the outside of all of it
that they could.

When everybody had a good jag
on, a fight was started and the
air was full of beer and whiskey
bottles. One of the men had a
gun and made the rest go through
some remarkable stunts. Every
window in the place was broken
and the furniture and fixtures were
more or less damaged.

The men agreed to make good
the damage that had been done
and Bateman withdrew the affida-
vit against them after both sides of
the story had been told to the may-
or. They were released.

W. N. Hatch, a part owner in a
saw mill in East Marion, was
arrested last night by Officers Sla-
gle and Chapman at the Page sal-
oon on North Main street. Hatch
was drunk and was threatening to
do some wonderful things with a
revolver. He succeeded in chasing
every one out of the place.

At his hearing before the mayor
this morning Hatch admitted the
charges against him. He was given
a suspended sentence of thirty
days and was fined \$15. After signing
the pledge at his own request he made
arrangements for the payment of his
fine and was released.

The mayor believes that altogeth-
er many of the drunks who have
been arrested lately have been
carrying guns and he believes that
the practice should be stopped be-
fore murder is committed by some-
one crazed by drink. He announces
that in the future all drunks car-
rying concealed weapons will be
fined the limit and made to serve
a term in the workhouse.

Mayor Scheff is after the mer-
chants who are using the up-town
alleys as places for storing old
boxes, wagons and other material
of the kind. He has directed the
police to remove the material and
notify all business men that such
obstacles must be removed within
a stated period. If the order is
not obeyed, arrests will be made
and the offenders will be fined.

There is scarcely an alley in the
business section of the city
that is not blocked with materi-
al of this kind.

John Brown, a drunk, was ar-
rested last night on North Main
street, by Officer Hostetter. Brown
was given a lecture in the mayor's
court this morning and was fined
\$5. He paid up and was released.

John Cavanaugh, aged about 80
years, was arrested for the second
time within two days on a charge
of drunkenness by Officer Sla-
gle. Cavanaugh was released this morn-
ing.

HUGHS & CLEARY

SENIORS VICTORIOUS

Junior Colors Taken From
Flag Pole.

PEACE IS DECLARED

Authorities Anxious That
Hostilities be Suspended.

Rough and Tumble Fight Takes
Place on the Campus with Eggs
Used as Ammunition.

The high-school camps last night
was the scene of a final clash be-
tween the Senior and Junior clas-
ses, resulting in the Junior flag
which waved so proudly yesterday,
being torn down, despite a stub-
born resistance offered by a hand-
ful of Junior guards.

The fight opened about 9 o'clock.
A squad of Juniors numbering
about eight were on guard, expect-
ing that an attempt would be made
by the Seniors to displace their
colors which had been placed on
the flag pole Tuesday night. How-
ever the Sophomores were first to
visit the field of battle, claim-
ing to be in sympathy with the
Seniors. The Juniors, though small
in numbers were determined that
a Sophomore should never tear down
the red and gray and consequently
a rough and tumble fight resulted.
The Juniors finally succeeded in
driving the Sophomores from the
field and the flag still waved.

The Seniors got busy about 10
o'clock and were determined that
the Junior colors would be no more
when they had finished their pro-
gram. The rope on the flag pole
was cut and a few of the Juniors
were bound and tied to the fence.
The Juniors however, had thought-
fully greased the flag staff and
despite many efforts the Seniors
could not scale it. When the Sen-
iors went for a ladder the Jun-
iors were somewhat reinforced and

the battle was renewed with more
determined energy. Some of the
less considerate participants of the
rush had secured rotten eggs and
consequently a number of the
young warriors did not receive a
warm welcome upon their return
under the parental roof, an hour
later.

It was about 10:30 o'clock when
one of the nifty seniors climbed
the pole with the use of the lad-
der and grasping the streamers
of red and gray tore them from
the fastenings with a shout of
triumph. However the Seniors dis-
played great consideration and sil-
ently expressed their intentions of
not wishing to continue the fight
by leaving the pole bare and not
erecting the Senior flag as the
Juniors had expected. The Juniors
alleged that the Seniors had three
rings weighing two-hundred
pounds apiece, in their gang or the
Junior flag would be waving to-
day.

The Juniors claim that their flag
will again be put upon the pole
but the school authorities are using
their influence to have the war
stopped where it is. Their wishes
will probably be respected by the
two classes.
